- Inspiring, rigorous, analytical, personal. Everything I look for in an English course.
- The topic was engaging. Ian was a great instructor.
- Enjoyable teacher for this class, setup of classes were perfect. Only complaint would be that certain students seemed to dictate class discussions

2 - How challenging, rigorous or rewarding was the course?

- Ian holds high standards for writing and this is much appreciated.
- So many films that were hard to get through and the culture surrounding the nature of the subject can verge on pretentious for those who don't "get" the films.
- Extremely rewarding. First time I've had a teacher explain thoroughly what he wants when editing the rough draft of my papers.

3 - How productive were the class discussions or critiques?

- Except that other students don't talk..
- Certain students seemed to dictate the class, making it difficult to talk

Ian Jones									
Return Rate	6/11 (54.55%)								
<ul style="list-style-type: none"> I was extremely impressed with Ian's ability to foster a rigorous analytical discussion. I was also inspired by his attention to inclusiveness in the material by artists of all different backgrounds, which especially in the realm of Avant Garde film is rare. A+ Ian is a great instructor, well organised and very professional. no Ian is very knowledgeable and gave great analysis to the reading materials and advice to my writings. No- very organized and helpful.
